

## Department of Public Safety Selects Cellebrite to Help Support Its State-Wide Effort to Reduce Drug Related Crime

March 15, 2022

**Cellebrite's industry-leading Digital Intelligence solutions will strengthen the department's ability to assist law enforcement agencies and drug task forces**

TYSONS CORNER, Va., March 15, 2022 (GLOBE NEWSWIRE) -- Cellebrite (Nasdaq: CLBT), a global leader in Digital Intelligence (DI) solutions for the public and private sectors, today announced that it will equip a state department of public safety in the United States with a suite of solutions from Cellebrite's industry-leading DI Platform, including Collect & Review Solutions and Advanced Services. The multi-year agreement has a value of over USD \$800,000 and will enable the department to provide enhanced investigative support to law enforcement agencies and drug task forces through data extraction and analysis from cell phones, computers, and other electronic devices and cloud applications.

With the addition of advanced solutions to support the process of collecting and reviewing digital evidence, the agency will become more efficient in distributing the right information to the right people across the investigative workflow, thereby accelerating investigations of narcotic and opioid-related crime.

Marque Teegardin, Cellebrite's General Manager, Americas, commented: "Partnering with law enforcement agencies to protect and save lives is core to Cellebrite's mission. We are honored to expand this trusted partnership by providing advanced DI solutions that broaden the customer's data collection, review, and analytics capabilities that support its efforts to solve narcotic and opioid-related crimes, and ultimately make its community safer."
