

Cellebrite to Showcase Advanced Access as a Service at the Techno Security & Digital Forensics Conference

May 5, 2022

The availability of Cellebrite's advanced access capability as a cloud-based service is intended to enable a broader base of law enforcement agencies to benefit from the most cutting-edge technology

PETAH TIKVA, Israel and TYSONS CORNER, Va., May 05, 2022 (GLOBE NEWSWIRE) -- Cellebrite DI Ltd. (NASDAQ: CLBT), a global leader in Digital Intelligence (DI) solutions for the public and private sectors, today announced the upcoming release of the SaaS-based version of Cellebrite Premium. Cellebrite Premium is an industry leading advanced access solution, providing unlock and extract capabilities for most iOS as well as the leading Android devices. The new offering, which is part of Cellebrite's industry-leading DI suite of Solutions, will be previewed at the upcoming Techno Security & Digital Forensics Conference in Myrtle Beach, South Carolina, from May 9th to May 12th, 2022.

The solution aims to allow law enforcement agencies to benefit from flexible licensing options and reduce ongoing hardware and maintenance costs. In addition, the SaaS-based version of Premium aims to provide agencies immediate access to the most up-to-date capabilities, allowing more law enforcement organizations to decentralize device access and data collection efforts as they work to expedite digital investigations and reduce case backlogs.

Ronnen Armon, Cellebrite's Chief Products & Technologies Officer, commented: *"Law enforcement agencies of all sizes should have access to solutions that can help them combat continuously growing digital evidence challenges. We are committed to addressing our customer needs in the face of the ever-growing quantity, variety, and complexity of digital evidence, and enabling a flexible consumption of our most advanced capability is our latest innovation to achieve this goal. We look forward to continuing to partner with our customers to enable them to protect and save lives, accelerate justice, and preserve privacy in communities around the world."*
