SUBJECT: Important Announcement from Cellebrite

Dear Valued Customers,

We have some exciting news to share about Cellebrite's future.

Cellebrite has taken an important step forward on the path to becoming an independent, publicly traded company. Today we announced that we intend to merge with TWC Tech Holdings II Corp. (Nasdaq: TWCT), a Special Purpose Acquisition Company ("SPAC") sponsored by an affiliate of San Francisco-based private equity fund True Wind Capital. The merger is expected to close in the second or third quarter of 2021 and, at that point, Cellebrite will be a public company and our stock will be listed on the Nasdaq and traded under the ticker symbol CLBT.

This transaction will enable us to enhance our industry-leading Digital Intelligence investigative platform and related services, and help you run your investigations even more efficiently. The capital raised will be used to expand our ability to help you to protect and save lives, accelerate justice, and preserve privacy.

This is an important day in Cellebrite's history, and the entire team is looking forward to the opportunities that lie ahead. We deeply appreciate your continued support and look forward to building on our relationship in the future.

Sincerely,
Yossi Carmil, Cellebrite CEO
